

Date: January 20th 2014

Dear Parent

We always like to encourage children to read at home so we've sent you the new book club catalogue from **Baker Books** to browse through. Now you can see an even wider selection of books by going online.

The **Baker Books International School Book Club** is a great way for you and your child to choose books together. The catalogue features a wide range of books for all tastes and abilities so there's something to suit everyone. You'll notice that many books are **discounted** so you can make great savings. We also receive lots of **free books** for the classroom and library with every order placed so it helps to support our school.

There's no obligation to order but if you would like to get top quality books for your child there's now an easy way to do it online.

Order & Pay online

We've set up a school Parent Pay order that you can visit and add your order. You can pay securely online by credit or debit card and the books will arrive in school for us to distribute.

How to Order online

1. Visit: <http://parentpay.bakerbooks.co.uk/clubs/INTKOR1>
2. Select the books that you'd like to order and add them to your basket
3. Book prices include an admin charge and when you go to Checkout your order will be charged to your card in the currency shown and the books added to the school's Parent Pay order.
4. Send your order form to your homeroom teacher; make sure your name, child's name and class is marked on the order form, or email the form directly to Mrs Thomson.
5. Please contact us if there is a problem with your order. All books will arrive together so if your child does not receive his/ hers please contact us as soon as possible.

The closing date for ordering books from the Baker Books catalogues is: **MONDAY 3rd FEBRUARY**

We hope that you enjoy browsing through the catalogue – it's a great way to encourage your child to broaden their reading experience and to own some really wonderful books.

Kind regards

Mandy Thomson
